

# Education

L-R Computer-cut frosted and solid vinyl; Windflyer flags; Custom-printed window vinyl; Cut-out standee; Digital entrance sign

Need help managing the visual communication needs of your educational institution? Increase visibility and encourage enrolment with exterior graphics and digital displays. Create an inspiring environment with wall and floor graphics, dimensional letters, and window displays. Encourage a sense of school pride with banners and flags at sporting events. Wayfinding and directional signs around your school can help with pedestrian flow while increasing student and staff safety and creating an overall positive experience within your institution. Let SIGNWAVE® help you Make Your Statement.

L-R Printed vinyl; Large-scale banner; One-way vision; Custom printed vinyl lettering; Vehicle vinyl

# Directing students towards a bright future

Refreshing new signage provides functional wayfinding that reflects school's standards of excellence.
