

# Sign Maker - Production & Installation

Full time

## About the role:

Become part of our friendly team! As Signmaker/Installer, you will be responsible for the fabrication and installation of a wide range of signage and graphics products, playing an important role in continuing our high level of client satisfaction over the last 25 years.

## What you'll be doing:

- Signage manufacture, vinyl application, mounting and laminating of digital prints.
- Application of vehicle graphics
- Onsite installations, including with ladders/heights
- Working with sales and the design team to ensure production is to the highest standard and clients are left satisfied.

## What we're looking for:

- Ideally 2 to 3 years experience in a signmaking or similar role (but training can be provided to the right applicant)
- Strong attention to detail and the ability to work with precision and care
- Keen problem-solving skills
- Good friendly communication skills within our team and with clients
- Ability to lift heavy materials and be comfortable on ladders/heights
- MUST have a manual drivers license and white card
- MUST be located in Australia with ongoing working rights
